NOTE: The actual channel numbers are in 'tiers', ie there are three different channel 50s. The three channels will show up as 50-2, 50-4, 50-6 as an example.

The actual channel number may be different on your tv depending on the brand and type of tuner that your tv has.

Example: in the Towers Lounge the Science Channel may be 50-4, but on your tv in your room it may be channel 50-5.

The Science Channel will be 50-?? everywhere on campus. It is dependent on the brand of tv and the type of tuner that your tv has.
