FINANCIAL AID

Your bill may reflect financial aid as a reduction (credit) to the amount owed. If shown, this aid has been “confirmed” based on your eligibility as of the date on the printed bill.

Although reflected as a credit, this aid has not been officially disbursed to your account and will be recalculated based on enrollment and eligibility at the time of disbursement. If you have applied for and accepted financial aid and it is not reflected on your bill, please contact SFS at (573) 651-2253.

If your financial aid has been applied towards your charges and an outstanding balance remains, see the back of your bill or visit our website at semo.edu/sfs/options for payment options.
